

Case Study

Histon Road Cambridge - Student Accommodation

Hilton Cannon Electrical was contracted to complete all electrical services installations within new student accommodation located on Histon Road, approximately one mile from Cambridge City Centre.

Three buildings varying in height from three to four storeys and contain:

- 59 en-suite Rooms & Four One Bed Flats
- Laundry Rooms and Shared Kitchen Facilities
- Plant Room and Server Room
- Associated Car and Cycle Parking

In addition, perimeter and amenity LED lighting were included within the scheme.

Project Duration: 26 Weeks
Project Value: £380'000.00
